

Tama/Toledo Healthy Hometown Steering Committee Agenda
Thursday, August 4, 2022
Wieting
5-6 p.m.

Present: Denise Fletcher, Karen Mixdorf, Dot Zmolek, Warren Riley, Shelly Riley, Marilyn Rippy, Amy Doyle, Trudy Koch, Kendall Jordan

Community Updates since July meeting

- Kelly from Snyder & Associates did a traffic study and she said we can get a flashing beacon for \$25K on Broadway and business Hwy 30. Kendall told her to move ahead with the project. Next step has to be designed/engineered. From there it goes to the council for approval since we are laying it across a city street. (They might have a few questions but he doubts they will say no.) Then it goes out for bids because of the cost. The money is flowing through the city and so it has to go by certain guidelines.
- We did get our Teep study approved - DOT -> We have directed Snyder and Ass to do the work. We can attach that to our application for lights
This will occur once school starts (hopefully)
- Shelley R and Karen meet with Jill Apfel once a month so there is a good communication between the committee and city.
- Health Grant - we decided to not pursue it.
- Great golf cart parade - 31 entries! So exciting! Music in the park in the afternoon. 127 pounds for the food pantry!!
- Come up with a wish list: Brochures, videos, walking vests, stickers

Detail Master Plan next steps

- Bike Safety - Rippy - Contacted MS principals to see about 6th graders (Missed 3rd grade experience due to covid) They would like to do the Bike Rodeo possibly in the fall. Scott Bolen, Ben Adams and Jon Werger have each other's emails.
- Signage - Amy Doyle, Warren Riley, & Mark McFate - New bench is exactly a mile
 - Talked about different areas to highlight
 - Decide verbiage, where signs can go,
 - Look into Rails to Trails

Tama Walkability Workshop Reminder

September 15th - Shelly Riley will take the lead on this.

Business leaders, city workers, downtown committee to participate in the walk. Back to the civic center by 7pm. Celebrate some of the things that are already going on in the community. We need sandwiches made for the participants. 5 pm will be the start time at city hall's "Auditorium."
