

## RESULTS FROM HS NEARPOSD LESSON May 2023

Description: STC HS students were assigned a Nearpod lesson about the soon to be installed RRFB. They completed it in PE class. Below are the results of the polls and quizzes students were asked to respond to. These are a snapshot only. Students completed the lesson on the last day of school after completing their final. Also, Neared capped the responses at 40 although more students were able to participate. We learned somethings if we choose to do this again in the fall.

Number of students 40  
% participating 99%
